## **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

## Supplier's name or trade mark: V-TAC

Supplier's address: V-TAC House, Kelpatrick Road, Slough, Berkshire, SL1 6BW, UK

## Model identifier: 217409

## Type of light source:

| Lighting technology used:     | LED | Non-directional or directional: | NDLS |  |  |
|-------------------------------|-----|---------------------------------|------|--|--|
| Light source cap-type         | E27 |                                 |      |  |  |
| (or other electric interface) |     |                                 |      |  |  |
| Mains or non-mains:           | MLS | Connected light source (CLS):   | No   |  |  |
| Colour-tuneable light source: | No  | Envelope:                       | -    |  |  |
| High luminance light source:  | No  |                                 |      |  |  |
| Anti-glare shield:            | No  | Dimmable:                       | No   |  |  |
| Product parameters            |     |                                 |      |  |  |

| Parameter                                           |                                                                                  | Value                   | Parameter                                                                                                                                                                                | Value        |  |  |
|-----------------------------------------------------|----------------------------------------------------------------------------------|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|--|--|
| General product parameters:                         |                                                                                  |                         |                                                                                                                                                                                          |              |  |  |
| Energy consur<br>mode (kWh/10<br>up to the neare    | 00 h), rounded                                                                   | 5                       | Energy efficiency<br>class                                                                                                                                                               | F            |  |  |
| dicating if it refe<br>a sphere (360 <sup>o</sup> ) | s flux (φuse), in-<br>ers to the flux in<br>, in a wide cone<br>nrrow cone (90º) | 470 in<br>Sphere (360°) | Correlated colour<br>temperature,<br>rounded to the near-<br>est 100 K, or the<br>range of correlat-<br>ed colour temper-<br>atures, rounded to<br>the nearest 100 K,<br>that can be set | 6 500        |  |  |
